Bio Farma English Speech Contest (ESC) 2014

Here are more detail information regarding the event:

1. Please, upload your video speech (preferable theme: life science) max. duration 5 minutes to youtube
2. Send a url address of video speech with an attached registration form
3. We shall select big 50 to be top 5, each for video conference competition and live competition at Novotel
4. Please, choose (by filling in registration form) whether you prefer video conference competition (on 20th September, 2014, especially for whom couldn't come to Bandung) or live competition at Novotel (on 27th September, 2014, before final round) for top 5 selection (for each competition)
5. On final round, totally 10 contestants (5 contestants from video conference competition and another 5 from live competition) would compete for final round in the same day and place with live competition)
6. We would give some help for top 5 contestants from video conference competition to come to Bandung on a final day
