Bio Farma won 2 Prestigious CSR Awards

Thursday, October 4th, 2018 at The Sultan Hotel Jakarta's Golden Ballroom in the CSR Top Award 2018 with the theme "Great CSR for Great Business", Bio Farma won two awards at the same time, namely the Top CSR 2018 Pharmaceutical Industry sector and the CSR Commitment Top Leader award to M. Rahman Roestan as President Director of Bio Farma from Top Business Magazine. The award was handed over by the editor in chief of Top Business, Moh. LutfiHandayani and received directly by WawanSetiawan, Head of General and Asset Management Division, representing the Directors of Bio Farma.

Puan Maharani, Indonesian Coordinating Minister for Human & Culture Development and ZulfikriHasan, Chair of the Indonesian MPR alsoattended as well to provide keynote speech and witness the acceptance of awards. Top CSR is the highest assessment and awarding activity for companies that are considered successful in carrying out CSR / PKBL programs, Community Development effectively and quality in Indonesia.

The aim of TOP CSR 2018 is to encourage massively adoption of more effective, strategic and innovative CSR programs for companies in Indonesia, so that corporate CSR policies and activities are more integrated with business strategies and act as joint efforts to improve the business environment and socio-economic.

It is expected that this activity can encourage GCG implementation, because CSR that is effective, transparent and which can be accounted for can only be implemented if the company has implemented good corporate governance. Appreciation was given to Bio Farma for practicing CSR well. Publish to the public, government, investors, and CSR financing institutions and support the implementation of the NawaCita program Working Cabinet 2014-2019.
